PhD Admission – July 2025 (Autumn Semester, AY-2025-26)

I. Applications are invited for admission to the Doctor of Philosophy (PhD) programme, starting in July, 2025 (Autumn 2025-26) in the following Departments and areas of research at IIT Patna:

Department	Areas of Research
Chemical & Biochemical Engineering	Reaction Engineering and Catalysis
	Modeling and Simulation
	Energy Storage, Conversion and Management
	Process Design and Optimization
	Bioprocess Engineering and Technology
	Waste Treatment and Pollution Control

Chemistry	Inorganic
	Organic
	Physical

Civil & Environmental Engineering	Structural Engineering and Mechanics
	Geotechnical Engineering and Rock Engineering
	Transportation Engineering and Railway Engineering
	Water Resources Engineering
	Environmental Engineering
	Geomatics Engineering

Computer Science and Engineering	Generative AI
	Artificial Intelligence and Data Science (Machine Learning, Deep Learning, Natural Language Processing, Social Networks, Computer Vision, Multimodal Information Processing, Graph Machine Learning, Tiny ML, Model Compression and Knowledge Distillation)
	Cyber Security & Blockchain and Theoretical Computer Science (Formal Methods, Algorithms)
	Applications of CSE (Climate Change, Disaster Management, Weather Forecasting, Natural Phenomenon Modelling, Combinatorial Optimization, Cyber-Physical Systems, Network Science)
	Intelligent Networks (IoT, Cloud Computing, Fog & Edge Computing, Machine Learning, Low Power Communication etc.)

Electrical Engineering	Power Engineering (Power Systems and Power Electronics & Drives)
	Control and Instrumentation (AI for Control, Underwater Tracking and Navigation)
	Communication (Optical, Wireless, UAV-aided Networks, Tactile Internet, Photonics and AI for 5G/6G Communication)
	Signal Processing (Audio, Video, Image Processing, Medical Imaging and AI for Computer Vision)
	Microelectronics & VLSI, Semiconductor Devices & Circuits, Hardware Accelerators, Optoelectronics
	RF and Microwave (Reconfigurable Intelligent Surfaces (RIS), Analog, RF & Mixed-Signal Integrated Circuits, and Antennas)
	Computer Architecture, Embedded Systems & VLSI Design
	Internet of Things Systems (Applied Machine/Deep Learning, Quantum Computing, Drone and Health Applications)
Humanities and Social Sciences	English
	Geography
	Sociology
	Linguistics
	Human Resources & Organizational Behaviour
	Psychology
	Economics
	Intellectual Property Rights
Mathematics	Algebra and Differential Geometry
	Harmonic Analysis
	Probability Theory, Statistical Inference
	Mathematical Modeling and Computational Finance
	Matrix Theory
	Control Theory
	Algorithmic Graph Theory
	Nonlinear Optimization: Variational Inequalities
	Differential Equation and Numerical Analysis
	Physics Informed Neural Networks, Quantum Computations
	Cryptography, Information Security, Blockchain, Internet of Things
	Artificial Intelligence, Machine / Deep Learning
Mechanical Engineering	Energy, Thermal, and Fluid Engineering
	Machine Design
	Manufacturing Technology
	Mechatronics & Robotics
Metallurgical and Materials Engineering	Polymer
	Metal
	Ceramics
	Nanomaterials
	Semiconductors
	Composites
	Computational Materials

Physics	Condensed Matter Physics (Theory & Experiment)
	Biophysics
	High Energy Physics (Theory, Phenomenology & Experiment)
	Optics, Photonics and Ultrafast Spectroscopy
	Quantum Computing (Theory)
	Quantum Sensing (Theory)
	Quantum Optics and Atomic Physics (Theory & Experiment)

A. CATEGORY OF ADMISSION:

The Institute admits PhD students under the following categories:

1.1 REGULAR and FULL-TIME

A student in this category works full-time for her/his PhD degree. They can be classified as:

1.1 (a) INSTITUTE FELLOW

S/he receives assistantship from the Institute. The qualifying degree for financial support is:

- 1.1.1** BE / B. Tech./ BS / M. Sc./ MA/ MBA/ MCA /equivalent degree with **valid GATE score** above the prescribed cut-off level / NET qualification. However, minimum GATE cut-off doesn't guarantee shortlisting for test / interview.

The requirement of GATE score is waived for candidates with Bachelor's Degree in Engineering from the Centrally Funded Technical Institutes (CFTIs) with CGPA of 8.0 and above (out of 10) in line with MHRD (now MoE) letter no. 17-2/2014 -TS. I dated February 18, 2015 and other IITs. Such candidates are required to appear in the interview for selection.

- 1.1.2** ME/ M Tech/ M Phil /equivalent degree with **GATE qualification not older than 05 years from the last date of submission of application / NET qualification.**

Age Limit: Please refer to General Terms & Conditions - Minimum Eligibility Criteria for Admission to PhD Programme.

1.1 (b) RESEARCH FELLOW - JRF/SRF

Applicants having external fellowship from recognized Government funding agencies are encouraged to apply.

S/he receives fellowship from any government recognized funding agencies, such as CSIR, UGC, DBT, NBHM, DST (INSPIRE programme) and similar other schemes.

Institute encourages candidates with external fellowship to apply round the year. However, admission to PhD would be considered during regular cycle in July / January each Academic Year.

1.1 (c) PROJECT STAFF

This category refers to a student who, as a project staff, is working on a sponsored project (registered at R&D Unit, IIT Patna). The said project staff is eligible to be admitted in the PhD Program (of this Institute) to work on a full-time basis. The minimum remaining duration of the project at the time

of admission as well as tenure of the project employee should be at least 2 years from the date of joining the PhD program. **S/he must have qualified GATE not older than 05 years from the last date of submission of application / NET qualification.**

If the project gets completed before the student completes her/his PhD, her/his category will no longer be that of Project Staff and her / his category will be converted to that of SELF-FINANCED unless s/he is granted an assistantship / fellowship from the Institute or any other funding agency.

A project staff intending to join the PhD program of IIT Patna must produce NOC on the day of interview in the prescribed format: **Form II, available on the website and annexed herewith: <https://academics.iitp.ac.in/forms/Form-I-II-and-III-for-PhD-Admission.pdf>** through Principal Investigator (PI), Head of the Department and Dean/ Associate Dean, R&D with suitable endorsement.

1.2 SPONSORED (FULL-TIME)

A candidate in this category is sponsored by a reputed industry, R&D organization, academic institution (universities/colleges), government organization, PSUs and autonomous bodies (central / state) for research and career advancement. The Institute does not provide any assistantship/fellowship to such a candidate.

Candidate in Sponsored category must be a regular employee of the sponsoring organization (of repute) with a minimum of two-years job experience in the respective field. Candidate in this category must be a regular employee of her / his organization with at least two years of professional experience in the respective field. **The work-experience of minimum two years is essential with current employer.**

A student in this category is therefore a professionally employed person, who pursues PhD while continuing her / his services. The candidate has to work full time in Institute to obtain the degree for a period of 3 years.

An intending sponsored candidate must produce NOC on the day of interview in the prescribed format: Form I, available on the website: <https://academics.iitp.ac.in/forms/Form-I-II-and-III-for-PhD-Admission.pdf> and annexed herewith.

1.3 EMPLOYED & PART-TIME

A candidate in this category is a regularly employed person (including the staff of IIT Patna), who pursues the PhD program, while continuing the duties of her / his service. The Institute does not provide any assistantship / fellowship to such a student. The minimum residential requirement is one or two semester(s) depending on the completion of mandatory course work required for PhD students. Candidate in Employed and Part-time category must be a regular employee of her / his organization with at least two years of professional experience in the respective field. **The work-experience of minimum two years is essential with current employer.** NOC must be produced on the day of interview in the prescribed format: **Form III, available on the website: <https://academics.iitp.ac.in/forms/Form-I-II-and-III-for-PhD-Admission.pdf>** and annexed herewith.

Candidate having experience for more than 10 years may be given relaxation up to 5% in qualifying degree as specified in clause B.2.1, B.2.2, B.2.3.

Candidates selected for Sponsored, and Employed & Part-time categories can have the opportunity to complete the mandatory course-work in online / hybrid mode with examination in physical mode in the Institute campus with prior approval from the competent authority of the Institute.

B. GENERAL TERMS & CONDITIONS: MINIMUM ELIGIBILITY CRITERIA FOR ADMISSION TO PhD PROGRAMME:

B.1 AGE LIMIT:

- In all the disciplines, the upper **age limit is 28 years (B. Tech. / B.S. / B.E. / M. Sc. / MA / MCA / MBA) and 32 years (M. Tech. / M.E./ M.S. /M. Phil.)** to be calculated as on the last date of application and is applicable **only** for candidates applying in Regular and Full-time category, as Institute Fellow.
- **Upper age limit is relaxed up to 05 years in case of candidate belonging to Schedule Castes / Schedule Tribes, OBC, Women and PwD candidates.**
- For Research/ project fellows, age limit will be as per the funding agency norms. In absence of any age criteria, the Institute norms will be followed.

B.2 MINIMUM EDUCATIONAL QUALIFICATIONS:

B.2.1 PhD in Engineering / Science

For admission to the PhD Programme in any Department, a candidate must satisfy one of the following criteria:

B.2.1.1 Candidates having M. Tech. / M.E. degree in Engineering / Technology, with a minimum CPI of 6.5 or 60% of marks.

B.2.1.2 Bachelor's degree in Engineering / Technology in a relevant branch / area with a minimum CPI of 6.5 or 60% of marks.

B.2.1.3 Master's degree in Science in a relevant area with a minimum CPI of 6.5 or 60% of marks.

B.2.2 PhD in Science

For admission to the PhD Programme in Science Departments, a candidate must satisfy one of the following criteria:

B.2.2.1 M. Phil. or Master's degree in Science in a relevant area with a minimum CPI of 6.5 or 60% of marks.

B.2.2.2 Master's degree in Engineering / Technology in a relevant area with a minimum CPI of 6.5 or 60% of marks.

B.2.2.3 Bachelor's degree in Engineering / Technology in a relevant branch / area with a minimum CPI of 6.5 or 60% of marks.

B.2.3 PhD in Humanities and Social Sciences

For admission to the PhD Programme in the Department of Humanities and Social Sciences (HSS), a candidate must satisfy one of the following criteria:

B.2.3.1 M. Phil. or Master's degree in Arts/Commerce/Science/ Management/ Business Administration in a relevant area with a minimum CPI of 6.5 or 60% of marks.

B.2.3.2 Master's degree in Engineering / Technology / Design in a relevant area with a minimum CPI of 6.5 or 60% marks.

B.2.3.3 Bachelor's degree in Engineering / Technology in a relevant branch / area with a minimum CPI of 6.5 or 60% marks.

B.2.4 Direct Admission

For candidates in Sciences, Engineering & Technology:

The Institute may admit exceptionally bright candidates as Full-time (Institute Fellows) by direct admission (i.e., without written test). Direct admission to PhD program for exceptionally bright candidate is permissible subject to fulfilment of the following conditions:

B.2.4.1 B.Tech. / B. S. from the CFTIs, graduated within the last five years, with a degree in the respective discipline with a **CPI/CGPA of ≥ 8.0**

B.2.4.2 Masters from the IITs / IISc, graduated within the last five years, with a degree in the respective discipline with a **CPI/CGPA of ≥ 8.5**

Such a candidate has to apply online. Additionally, an email claiming candidature for direct admission must be sent with scanned copy of the supporting documents to phd_admissions@iitp.ac.in

There would be no admission in direct admission category in Department of Humanities and Social Sciences.

NOTE

- **CPI will not be converted into percentage of marks if the degree awarding Institute provides marks in CPI system or vice versa. Their admission will be based on the CPI or Percentage of Marks awarded in the transcript.**
- **Candidates should note that if both CPI and percentage are indicated in transcript/marksheet of the qualifying degree then only CPI shall be considered for determining eligibility.**

C. RELAXATION FOR SC/ST CANDIDATES:

Eligibility criteria will be relaxed by 5% marks or 0.5 CPI for SC/ ST applicants.

D. RESERVATIONS:

The reservation of seats in admissions for SC, ST, OBC, EWS categories and for persons with disability (PwD) will be as per Government of India rules. OBC (Non-creamy layer) candidates will have to produce latest certificate (issued on or after 01.04.2025) and self-declaration statement as per formats indicated at **Annexure-I and II available on the website:** https://academics.iitp.ac.in/files/obc_certificate_self_declaration.pdf

Reservation Policy is not applicable for Sponsored (Full-Time) and Employed and Part-Time.

E. FINANCIAL SUPPORT

The Institute assistantships will be available to eligible (Indian) students as per prevailing (MoE, GoI) norms, as applicable from time to time. At present total emoluments are **Rs. 37,000/- per month for first two years and Rs. 42,000/- per month for subsequent years (governed as per MoE letter F.No. 32-18/2023-TS-1, dtd. 13.09.2023).**

Assistantships from external funding organizations will be available as per terms and conditions of the concerned funding organizations. Students receiving assistantships from the Institute or fellowships from any other funding agencies are required to perform academic duties as per prevailing norms.

The continuation of the assistantship / fellowship is subject to satisfactory performance of the assigned duties and satisfactory progress of the student in the PhD Programme.

F. WITHDRAWAL POLICY

One should not drop / leave the programme before course completion without valid reasons thereof. Selected candidates shall have to submit an undertaking / declaration at the time of admission for refunding fellowship / assistantship drawn from the Institute in case of resignation from the program. In case of withdrawal, the refund of fees will be governed by the prevailing Institute rules / policy.

G. HEALTH CARE POLICY

Health services for enrolled students during their tenure will be governed by the terms and conditions of insurance policy procured by them at the time of admission which shall be renewed on yearly basis. II. Joint PhD Programme in partnership with Lincoln University College Malaysia:

Applications are invited from eligible candidates for admission to the joint PhD program offered jointly by IIT Patna and Lincoln University College Malaysia.

Eligibility Criteria:

- 4 Years Undergraduate (B. Tech / B.E. /BS) with 60% or CPI 6.5 at Qualifying Degree.
- 2 Years Postgraduate (M. Tech. / M.E. / MS / M. Sc. / MCA / MBA) with 60% or CPI 6.5 at Qualifying Degree.

Mode of Instruction:

The PhD programs will be delivered in a hybrid mode, offering a blend of online and on-campus learning. This mode allows candidates to attend course work online while participating in campus examination and campus immersion programs at both IIT Patna and Lincoln University College Malaysia.

Important Dates:

- **Last Date to Apply: 30th April 2025**

How to Apply:

Interested candidates are required to apply online through the official websites of IIT Patna or Lincoln University College Malaysia. The detailed application process, eligibility criteria, and program structure is available on the websites.
